“ If Luxury Isn’t Comfortable,
It Isn’t Luxury At All.
At Sublimis, You Can Experience
The Perfect Blend of Luxury & Leisure ”

Come Embrace the Perfect Lifestyle!

A TIMELESS MASTERPIECE

There are few creative works of art that define the timeless glory of the artist and also magnifies the imagination of the viewers. One such fine creation that stands tall as a fine example of today's contemporary age is - Sublimis, a beautifully planned residential project by CRC.

Sublimis is all about living a life of peace and tranquillity, surrounded with modern amenities and facilities. Designed by world famous architect Hafeez Contractor, this magnificent project reflects fineness in every detail.

Strategically located in Sector 1, Greater Noida West, the homes in Sublimis are not just built, but are judiciously fashioned with a vision that is larger than life. With 2BHK and 3BHK flats designed with optimum open space, contemporary amenities, spaces for both children and elderly and aesthetically appealing infrastructure, the project is perfect for individuals

who do not want to settle for the ordinary.

So, if you have a desire to write the story of your life in a place that inspires your imagination, Sublimis is the perfect place to be.

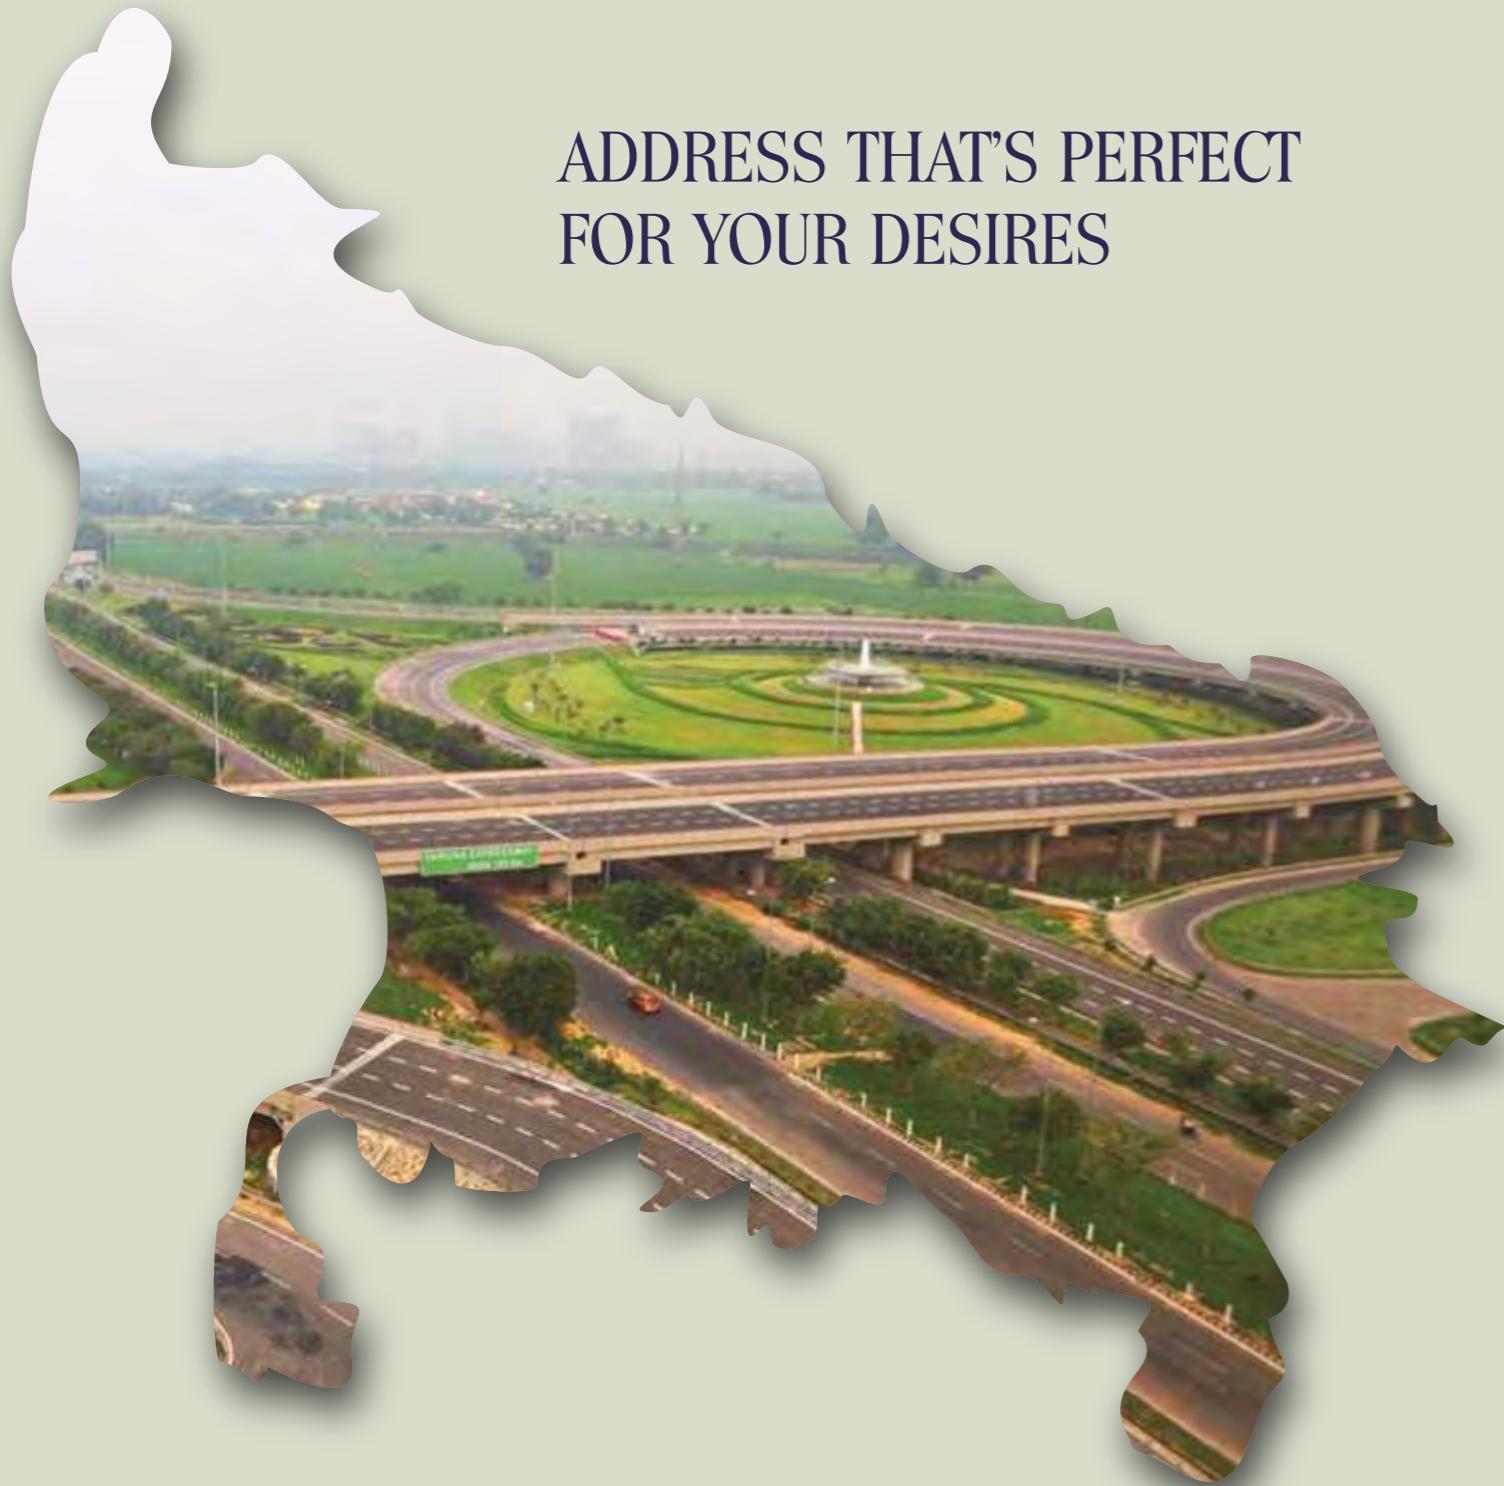

A place you will not trade for anything!

Craft your story in Sublimis...

ADDRESS THAT'S PERFECT FOR YOUR DESIRES

Imagine a life where you live in complete serenity with close proximity to all the things that you require. Sublimis has been planned to give residents a complete peace of mind. The below mentioned vantages are surely going to impress you.

Sector 1, Greater Noida West is in proximity to NOIDA.

The residential project is surrounded by the best and high-end projects of Greater Noida West.

Close to schools like Lotus Valley, Gaur International, Indo Global, Sapphire International, The Wisdom Tree, St. John School, DPS, etc. and many more. The property is also in close vicinity to IT offices and manufacturing hub of Noida, Greater Noida, Dadri & IBM Campus.

A wide-angle photograph of a modern residential complex. In the foreground, a man and a young child are seen from behind, looking out over the property. The complex features several tall, modern apartment buildings with balconies and large windows. A central green area with a fountain, palm trees, and a playground is visible. The sky is clear and blue.

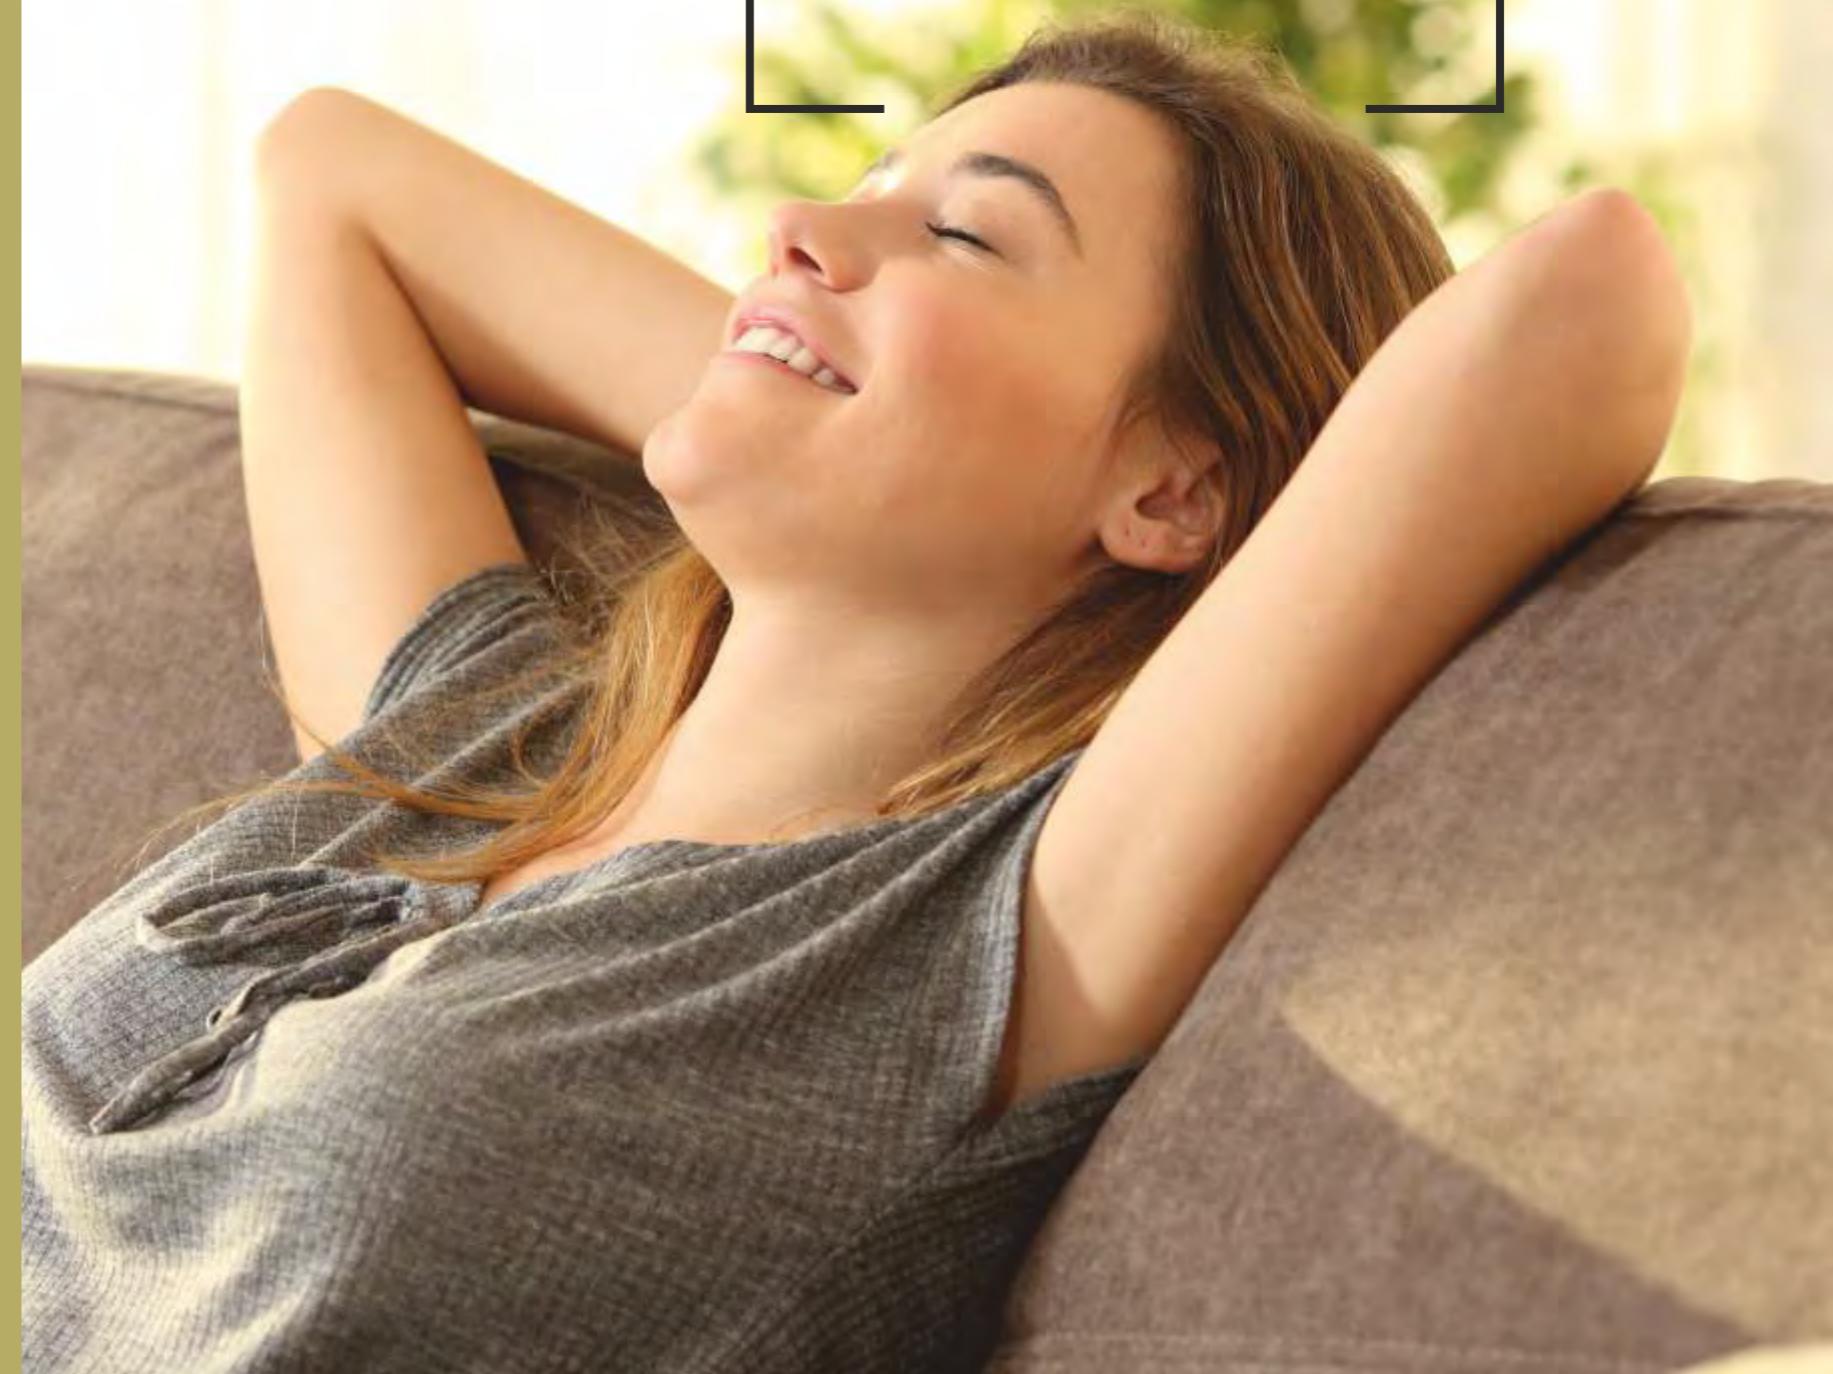

Bringing you the
perfect impression

A PIECE OF HEAVEN ON EARTH

The purity in the refreshing breeze. The feel of green earth below your feet. The clarity of an azure sky. Where does one find these joyous and heartfelt moments? Sublimis is your answer. A definitive destination that promises pristine nature in the midst of the humdrum. It's a poem set in a landscape. It's an art created to allure the heart. It's what you will call home.

Uplift Your Soul

SPACE THAT'S ONE OF A KIND

TOWERS

- ▲ Each tower at Sublimis has been planned with individual drop-off zone
- ▲ The lobby is open from two sides with central green area
- ▲ All units are at the corner of each tower
- ▲ One tower consists of 6 apartments per floor
- ▲ 3 Lifts per tower, with 2 being passenger and 1 service lift
- ▲ Tower faces 60 m road & low density prominent projects
- ▲ Wide lift lobby, common areas and waiting area in front of each apartment
- ▲ Optimum natural light

INDIVIDUAL APARTMENTS

- ▲ Spacious living & dining room with balconies facing the green landscape
- ▲ Contemporary kitchen ensuring maximum privacy & minimum sound. Large utility balcony for convenience of washing clothes & other household work
- ▲ Cross ventilation inside each apartment
- ▲ Maximum privacy assured
- ▲ Vaastu friendly layouts with maximum natural light
- ▲ Utility & toilet shaft placed in way that provides unobstructed view, openness to even utility balconies

For The Love Of Life

COMFORT THAT'S BEYOND IMAGINATION

Experience an unrestraint lifestyle and embark on a journey of true luxury living. Sublimis has been designed in a way that no apartment overlooks each other. Furthermore, one can enjoy all the leisure with the commercial space right in front of the presidential project. Some of the features that are worth mentioning are as follows:

- Efficiently planned and designed by **Architect Hafeez Contractor**
- Landscape design from internationally renowned landscape consultant – **Integral Designs**

Mrs. Kushal Singh, being the trustee, emphasises upon designing a secure and sustainable learning environment, bestowing excellent education to the students.

The Master Craftsman

CREATIVE & EXPERIENCED MINDS AT WORK

Sublimis is designed and conceptualized by Padma Bhushan awardee, Architect Hafeez Contractor. Mr. Hafeez Contractor is man with an innovative mind that thrives in creating world-class masterpieces. He is the man who has impacted the skyline of metropolitan India. He began his endeavour in 1982 and has been dedicated to designing excellent, efficient and sophisticated building technology. Today, he heads one of the largest architectural firms in India, with over 550 team members. He has also won over 75 National and International Awards for distinction in contributions towards architecture. He has also been included in India Today's Most Powerful Indians List and has won innumerable awards for best residential, commercial, educational and hospitality projects across India.

Few of the impressive works by Mr. Hafeez Contractor includes some of the tallest structures on the subcontinent, The Imperial Towers, Mumbai; one of the tallest residential buildings in the world, 23 Marina, Dubai and one of the best cricket stadiums of the world, DY Patil Stadium, Mumbai. According to him, "Architecture should be honest and must respond to the spirit of the time characterized by distinct ideas, disparate missions, contrasting convictions and divergent preferences. It is this enduring belief that has brought me to where I am today."

Wonderfully landscaped by Integral Design, Sublimis is surrounded with detailed perfection. Established in 1994, Integral Designs has always believed in delivering supreme and sustainable landscape design services. Owned by Prof. Samir Mathur, a landscape architect, Integral Design has to its calibre a wide array of landscape designs for both small and magnanimous spaces. The first major project by the company was 'Ananda Himalaya', a health resort and a spa located in proximity to Rishikesh. To mention, the resort was acknowledged as the best spa in the world by the Conde Nast Magazine.

At present Integral Design is associated with few of the big developers such as ATS, Ambience, DLF, Jaypee, Bestech, Ireo, Shipra, CHD, Ramprastha, Parsvnath, Indiabulls, etc. The team at Integral Design work closely with the architects in order to deliver matchless design concepts.

Proion Consultants provided the MEP solutions for Sublimis, headed by Mr. Sandeep Goel, Director of Proion Consultant. Mr. Sandeep comes with over 20 years in Building Services Consulting Experience. He has been involved in the design, coordination and innovation of MEP Services Design of over 100 projects. He is a committee member at Revision of National Building Code of India-2016, Part 4, Part 9 and Part 11; a certified Fire Protection Specialist-NFPA, USA; an accredited professional at Indian Green Building Council (IGBC); technical committee member at Building Fire Safety System Section-NFPA, USA and member of Skyscraper Editorial Board (2015-2017)-CTUBH, Chicago, USA.

Proion Consultants has a team of experienced professionals that includes Mechanical, Electrical & Civil Engineers on board for HVAC, Electrical, Plumbing and Fire Protection Design Offerings. They have delivered flawless services and have designed some large Hospitality, Healthcare, Core and Shell, Mixed Use, Residential, Plotted Development, College Campus and Industrial Projects and Buildings. They also have expertise in delivering for tall buildings and some of operations for whom they have worked are Marriott, Sheraton, Starwood, Shangri La, Intercontinental Hotels Group, ITC, Taj, Oberoi, etc.

CE CON Engg

A structural engineering firm, CECon handles wide array of infrastructure and building projects. The company masters in structures that include Multi-Storey Housings, Townships, Corporate Spaces, Commercial Buildings, Multiplexes, Hospitals, Hotels, Industrial Projects, Schools, Colleges, Bridges, Airports, etc. Their emphasis lies in all kinds of structural work, including low cost buildings with natural resources, stacks, hangers, equipment and more.

CECon holds pride in working with new construction materials and techniques that focuses on meeting the new-age challenges related to time, cost and quality. The company aspires to create value of its clients by executing optimum efficiency in designing and construction while adhering to quality and safe life. Their values are Integrity and ethical relationship, upgrading the methodologies and workforce according to requirement, commitment towards each project, timely completion and safety. Few of the awards that the company has received for its elaborate works on structural consultancy are Best Building Award – 2004 for Bhuj Hospital Building; Best Industrial Building Award for 2006 for Zeco Industries.
